4-H Summer Day Camp for Primary Members

Kindergarten through 3rd grade 4-H members and non-members are welcomed to come to our 4-H Day Camp on Saturday, June 22 at the Mariposa County Fairgrounds Amigo picnic area from 10a-3p. Different activities will take place from crafts, games and more. Snack & lunch will be provided by Mariposa County 4-H Council. **Registrations are available at the office or on-line at <http://cemariposa.ucanr.edu/?calitem=451282&g=37458> and due**

into office by June 17th. Limit is 25 youth. Cost is free. Non-members need parents to complete waiver form.

Community Club and Project Leaders Needed for 2019-20

Parents, grandparents, or friends, would you like to be a mentor to our 4-H youth in a particular project? We are looking for 4-H project volunteer leaders for the upcoming 4-H program year which begins October 1, 2019 through September 30, 2020.

We are looking for leaders in the project areas of fishing, biking, automotive, small engines, animal projects, woodworking, community service, or any other specialty project. The UCCE Office has curriculum for project leaders to use, and will hold training workshops. All new leaders must do online training, be fingerprinted, pay a fee, and be approved by UCCE staff before having meetings with youth. **We are also looking for a Volunteer Leader for the EI Portal and MES Afterschool SPIN clubs.**

CURRENT PROJECT LEADERS AND CCL'S, PLEASE LET THE 4-H STAFF KNOW IF YOU ARE RETURNING FOR THE 2019-20 PROGRAM YEAR IMMEDIATELY SO A LIST OF PROJECTS CAN BE PREPARED FOR THE FAIR INFORMATION BOOTH AND SEPTEMBER CLUB MEETINGS OR TO LOOK FOR NEW LEADERS. IF NOT RETURNING, PLEASE ASK PARENTS OR OTHER ADULTS ABOUT TAKING OVER YOUR PROJECT OR CLUB.

If you are interested, please contact the UCCE Office at (209) 966-4829 or visit the 4-H Fair Booth at the 2019 Mariposa County Fair over Labor Day weekend.

FAIR ELIGIBILITY

In order to show at the Mariposa County Fair all members must turn in a 4-H Project Form (APR) so your project leader can review, must have 80% attendance at Project meetings by July 15. Please check with your leader on your attendance for project meetings. Project leaders need to sign fair entry forms. Livestock members Must also do the YQCA training.

Getting Ready for Fair

Just three months left until our Mariposa County Fair. Project leaders should be having meetings now and throughout the summer getting their members prepared for this big event.

The project meetings should consist of the following topics:

- ◆ How to get animals ready for show (bathing, shearing, etc.)
- ◆ Weigh-ins every two weeks
- ◆ Showmanship practice
- ◆ Parts of the bird or animal
- ◆ Any other pertinent information for the members to know about their projects
- ◆ Finishing their clothing or arts/crafts items
- ◆ Making educational posters for the animal or small critter barns
- ◆ Having fun while learning

Remember 4-H is an educational program for the youth. The members should be acquiring knowledge, skills, achieving satisfaction from their work and accomplishments, and developing initiative and assuming responsibility with their projects.

Fair Show Uniform:

4-H/FFA/Independent- Solid white collared dress shirts, long or short sleeved, button or snap front. Shirt must be tucked into pants. **NO** tee shirts or sleeveless shirts/tops.

4-H- dark blue jeans. NO hip huggers or low-rise jeans/pants.

FFA- White jeans. NO hip huggers or low-rise jeans/pants.

4-H- Official tie or scarf and hat

FFA- Official tie or scarf and FFA jacket

Independent- black pants, white shirt and black shoes

Attention 4-H Livestock Members

To do showmanship at the fair or to sell at the livestock auction, 4-H members must **WEAR** their hats in the ring and **NOT** in back pocket. **Must be in complete 4-H uniform.**

Exhibitor's meeting

August 13th exhibitor's meeting at Strathern Pavilion is **MANDATORY** to show at the 2019 fair. **Members will have to sign in!**

University of California
Agriculture and Natural Resources
4-H Youth Development Program

TO: UNIVERSITY OF CALIFORNIA COOPERATIVE EXTENSION DIRECTORS, 4-H YOUTH ADVISORS, AGRICULTURE TEACHERS/FFA ADVISORS, GRANGE YOUTH FAIR LEADERS, FAIRS AND EXPOSITIONS ADMINISTRATORS AND STAFF.

To maintain the statewide cooperation that currently exists between Cooperative Extension, high school agriculture education departments, the California State Grange, and the California Department of Food and Agriculture's Fairs and Expositions Branch it is essential that all staff members, leaders and advisors in these organizations and agencies be informed of the joint policy governing ownership/entrepreneurial projects and enrollment of youth who participate in fairs and expositions as members of the 4-H, FFA, Grange, or as independent exhibitors. We hope that all leaders, staff teachers/advisors, fair and exposition officials, and members/exhibitors will observe these policies so that the best interests of all organizations and the member/exhibitors are served educationally.

The 4-H, FFA, and Grange organizations recognize the role of the California Department of Food and Agriculture's Fairs and Expositions Branch to establish and enforce state rules for educational and fair competition at California fairs. These organizations recommend to Fairs and Expositions the content of this agreement be supported in the "State Rules for California Fairs" and that equitable rules be included for independent exhibitors. We recommend that the content of this agreement be used as a basis for rule development and enforcement at all endorsed fairs and expositions or other sponsored events.

None of the organizations, publicly or privately supported, have the right to determine the extent to which an individual can participate in projects whether as a member of an organization or independent provided the minimum requirements are met for supervised project work. The member and parents should determine what projects should be undertaken in each organization or independently. The agriculture instructor, the 4-H leader, nor the Grange leader should discourage a member from following the choice agreed upon by the member and parents.

It is agreed that when an individual belongs to more than one organization, or exhibits as an independent, he/she must carry a different ownership/entrepreneurial project in each organization/independent. To further clarify this policy, when a member maintains projects in 4-H, FFA, Grange, or independently, the projects may not be in the same kind of livestock or crop production classification. "Production classifications" refers to the grouping of livestock and crops with consideration given to their production type and usage and not by species. For example, a beef project in FFA and a sheep project in 4-H would be acceptable since these two projects are both different species and produce a different commodity, but a beef breeding project in FFA and a beef market project in 4-H would not be acceptable as they are of the same species and produce the same commodity of beef; even if the animals are of different breeds. A further example of a project of the same specie but different production type would be a dairy goat project in Grange and a meat goat project in 4-H that would be acceptable since the production of milk versus meat is clearly different. To assist in determining whether the projects are to be considered "different" and may be carried in the different organizations or independently see attached

Addendum 1 for a listing of projects production classifications that have been agreed upon for the administration of this agreement. The addendum does not address “projects” which are non–ownership/work experience in nature or involve participation in leadership development activities and events such as public speaking, parliamentary procedure, or judging contests, which are not covered by this agreement.

A member of an FFA chapter, Grange, or 4-H unit (club, group, etc.), or independent exhibitor may transfer projects from one organization/independent to another only once during a calendar year. All transfers must include official notification by the member to the organizations involved of their desire to drop and/or add a project and take place at a time that would allow for the supervision of the project by the respective organization/independent. Transfers must take place not less than 60 days, (or the number of days required for the ownership and supervision of respective species whichever is greater), prior to the exhibit or award recognition of the project. Please note that members transferring from 4-H, FFA or Grange to independent may be ineligible to participate at fairs as an Independent exhibitor if documented disciplinary action involving their project(s) has been taken against them by 4-H, FFA or Grange organizations. Length of ineligibility shall be determined by fair management. For additional detail regarding agreement for members transferring projects from 4-H or Grange to FFA when entering the ninth grade, refer to Addendum 1. To be able to show a project at an endorsed fair, exposition, or other sponsored event, it must be owned and supervised according to the following requirements:

Poultry – must be owned and supervised for not less than 30 consecutive days and be enrolled in the project for not less than 60 consecutive days.

Rabbits – must be owned and supervised for not less than 30 consecutive days and be enrolled in the project for not less than 60 consecutive days.

All feeder and breeding animals (except rabbits, poultry and horses) must be owned and supervised for not less than 30 consecutive days and be enrolled in the project for not less than 60 consecutive days.

Market sheep, swine, veal, and goats – must be owned and supervised for not less than 60 consecutive days.

Market beef – must be owned and supervised for not less than 120 consecutive days.

Horses/llamas/alpacas – must be owned/leased and supervised for not less than 120 consecutive days.

Once a project transfer is made, youth may not transfer their project to another organization for 12 months. For the purpose of clarification, the 12-month period starts from the date of the first show occurring after the transfer. For example, a youth transfers their project from 4-H to FFA on May 25th. The first show, following the project transfer, occurs on July 30th. The youth may not transfer their project to another youth organization until July 31st of the following year. Transferring projects once is allowed when ownership requirements are met. Transferring projects between organizations more than once within a 12-month period is prohibited.

We are in agreement that members are expected to care for, prepare for show, and exhibit their own animals while at the fair or livestock show. However, because of the educational

nature of livestock shows, it is appropriate on occasion for parents, leaders, or other youth eligible to exhibit at that show to provide assistance. Assistance should always be given only when the exhibitor is present and actively engaged.

Separate classes for 4-H, FFA, Grange, and independents should be maintained and strengthened. However, we recognize that in some circumstances combined classes may be appropriate. When combined classes are established, the decision should be reached with input and agreement by 4-H, FFA, Grange, and independent representatives participating in the affected show(s).

We are in agreement that 4-H, FFA, Grange, and CDFA Fairs and Expositions Branch will unite in an effort to support the ethical and humane treatment of all animals at fairs and expositions and in the production of a healthy and safe food supply. We also agree to reinforce the educational emphasis of competitive programs for plants and animals, and maintain the standards of integrity of all participants while attending endorsed fairs and expositions or other sponsored events.

This agreement is effective on July 1, 2016, and remains in effect indefinitely until modified or terminated by mutual consent.

ADDENDUM #1 4-H, FFA, GRANGE AND INDEPENDENT EXHIBITOR AGREEMENT

Ownership Projects Classified by Production Unit

The following livestock and crop categories have been agreed to be "different" from each other based on production unit classification.

Dairy Cattle (Including Replacement Heifers)	Floriculture
Beef Cattle (Including Veal)	Grain
Poultry	Landscape Management
Rabbits	Nursery Operations
Swine	Outdoor Recreation
Sheep	Pomology
Dairy Goats	Specialty Crops
Meat Goats	Turf Grass
Pygmy Goats	Vegetables
Fiber/Oil Crops	Viticulture

Transfers to FFA

Students desiring to transfer projects to FFA must notify **both** the FFA Advisor and the 4-H or Grange project leader of their intent to transfer and drop/add their project at a period of time not less than the period required for ownership and supervision of that project. To be eligible to be a member of FFA and exhibit a project under FFA a student must: 1.) be pre-enrolled in an agriculture education course, 2.) be affiliated with the State FFA organization, 3.) be legal owner of the project and be supervised by the FFA Advisor for the period of time required by agreement for this project production classification, 4.) keep records of conduct of the project, and 5.) received promotion from eighth to ninth grade. Under this agreement students can transfer projects to FFA and drop them from 4-H or Grange prior to completion of the eighth grade. Under no circumstances however, may a student exhibit as an FFA member prior to official completion of the eighth grade.

4-H Member needs to complete the Livestock Project Transfer Form within 60 days of fair and turn into the 4-H Office. This form is on <http://cemariposa.ucdavis.edu> or at the office.

Animals as Gifts

California 4-H Program Handbook states “the 4-H Youth Development Program does not accept animals as gifts or donations. Council, units, projects, and County Cooperative Extension Offices cannot accept title or ownership of animals. Any such gifts should be made directly to individuals.”

Market Animal Insurance

UCCE and the 4-H program do not insure animals. Many members wish to purchase mortality insurance for their market animals in case their animal dies before fair. Members should check with their parent’s homeowner’s policies to see if they will cover the livestock animals. If not, you may want to check with other insurance companies.

UCCE offers Free Jam & Jelly

Workshop for Youth in Mariposa

By Sue Mosbacher, UCCE Master Food Preserver
Program Coordinator, Central Sierra

If you attended our Fruit: Preserve It, Serve It class at McCay Hall this past September, you may have heard me talk about future classes in Mariposa County. Now I am pleased to offer our Jr. Jams & Jellies Workshop for kids on Saturday, June 29 from 10am – 3pm, in the Redbud Room at the Mariposa County Fairgrounds in Mariposa.

Kids 5 to 18 years of age are invited to sign up to make their own low-sugar jelly and enter it into the county fair. All ingredients and supplies are provided. During the online registration, kids will pick the type of jelly they want to make: apple, grape, pomegranate or orange. Kids will take home several jars of jelly that they make. Fair entry forms will be completed at the workshop and we'll keep the fair entries to be judged.

The workshop is free, but pre-registration is required at <http://ucanr.edu/jjj-mariposa>. Contact Robin Cleveland at rkcleve-land@ucanr.edu or 530-621-5528 for more information.
